Quality Assurance and Celebrating Success

At Connex Tutors we are committed to providing the highest quality tutoring to make the greatest impact on pupil progress. As part of our ongoing monitoring of tutoring, and in order to provide peace of mind to our schools as well as relevant CPD opportunities for our tutors, we are introducing two routes of Quality Assurance;

The Tutor Review and a Professional Conversation. We expect all tutors to engage in one of these two routes each academic year as part of our drive for continuous improvement.

Our **Quality Assurance of Tutoring Brochure for Tutors** provides all of the details on each of these routes, we encourage you to read this carefully to ensure you understand the process in advance of us contacting you to arrange one of these routes.

We regularly add to our course library and some of the courses recently added are:

You will never regret investing in yourself, so pop the kettle on and sit down to some CPD this term.

Tutor Satisfaction and Impact Survey

Thank you to all of you who completed our Tutor Satisfaction and Impact survey, we appreciate your feedback and will use this to shape our provision for schools and opportunities for tutor development moving forwards.

The winner of the £50 Amazon voucher is Louise Wardall, congratulations Louise, we hope you treat yourself to something nice!

“Our tutor is an incredible asset to our teaching team and is so dedicated, ensuring the progress of pupils on the NTP programme”

Celebrating YOU!

We sent out a similar satisfaction and impact survey to our schools recently and below is some of the fantastic feedback we received about you.

ALL responding schools said that:

- You were professional and well prepared.
- You delivered high quality provision throughout the tutoring block.

Some specific comments we received were:

“We have a fantastic tutor. They put so much effort into enhancing the lessons and preparing their own resources. They are calm and patient with the children and the pupils respond to their manner and delivery.”

“Our tutor is an incredible asset to our teaching team and is so dedicated ensuring the progress of pupils on the NTP programme.”

From everyone at Connex Tutors, we would like to say a huge **THANK YOU** for the work you have done in 2022 and we look forward to seeing what can be achieved in 2023.
